**Subject: Landfill monthly report**

During the month of September we did daily operations as usual. Class I year to date total tons 5,463.3. Year to date daily average for Class I 20.01 tons. Class III year to date total tons 10,108.8. Year to date daily average 37.02 tons. Landfill crew is hauling dirt daily from Class III expansion area to use as cover dirt for household and Class III. Still working on moving dirt and tires from old road entrance, creating air space for future Class I trash. Serviced and sampled 938H loader (25,465 hours). Landfill is back at full staff. Safety meetings covered fire safety, running equipment around the public, walk around inspections, and gate vehicle inspections. Waiting for pricing on a compactor rebuild, used and new compactor. Routine maintenance and service completed on equipment and vehicles as needed. Working on yellow dump truck repairs, should be up and running this week.
